

Иранцы

Аланы

Осетины

```
graph TD; A[Иранцы] --> C[Осетины]; B[Аланы] --> C;
```

The diagram consists of three yellow rectangular boxes with blue borders. Two boxes are positioned at the top: 'Иранцы' on the left and 'Аланы' on the right. A third box, labeled 'Осетины', is centered below them. A black arrow points from the bottom-right corner of the 'Иранцы' box to the top-left corner of the 'Осетины' box. Another black arrow points from the bottom-left corner of the 'Аланы' box to the top-right corner of the 'Осетины' box.
